Supporters of The Fauquier Livestock Show & Sale,

Thank you for your continued support of the Fauquier Livestock Show & Sale program! We had an incredible 2024 Show & Sale, and we could not have done it without you. Our sale gross was over \$180,000 from 99 animals. Thanks to a grant from the PATH Foundation, we were able to harvest 23 animals, totaling over 2,100lbs of meat donated to local food banks. We are looking forward to growing this effort with additional secured funds in 2025! Our youth are truly learning what it means to be a part of something bigger than themselves.

Through the Fauquier Livestock Show & Sale, our participants are able to give back, as well as learn character-building skills of responsibility, leadership, and taking care of animals, among others. The 2025 Show & Sale season is off to a great start! We have 62 exhibitors raising market beef, sheep, goats, and hogs. The Show & Sale program is so much more than a weekend event in May. 4-H and FFA members learn throughout the year how to budget money, care for livestock, market themselves, keep records, and be responsible and accountable. Participants are required to be active members in their 4-H club or FFA chapter that helps to support their livestock project. They attend educational meetings, participate in community service projects, and build relationships with their peers.

We are always looking to add to our community partnerships, and we invite you to participate! There are many options to support: buying animals, monetary donations, supply sponsorships, and more. There are three main options when purchasing animals: 1) keep the meat (or split between families); 2) donate the meat back to the Food Bank Project; 3) Sell the animal back at the floor price the evening of the sale (paperwork to complete at the Sales Office). If you are unable or not interested in purchasing an animal, sponsorship levels are available to donate money or materials. Along with the sale of the animals, sponsorships are vital to the success of the program. Your donations and support go to the implementation of the event, awards, premiums, and other supplies required to host such a large and impactful program.

As always, we appreciate all of our community supporters and partners for contributions to this program and the belief in the impact the program has on our youth. We look forward to working with you!

Best,
